3. When they did it;
4. Where it happened; and
5. Why they did it, if you know.

I was released from prison on March 16th 2021
to a TLP in Richland Center, WI. I was at
the TLP from March 2021 till June 2021.
While at the TLP I was mistreated by the TLP
Supervisor Tiffany Hicks. on multiple occasions
Tiffany Hicks threatened me. I was blackmailed
several times while I was at the TLP by
the supervisor for money. I was put in the
TLP by the Department of Corrections, because

I did not have an approved housing when I got released from prison. While I was at the TLP I reported to the probation officer about things that were going on at the TLP. I even sent an video of another TLP resident who was living there. Nothing was ever done about it. I was put in a position that I should not of been in. I have tried to keep from getting involved with this, but I want to make sure things like this stop in TLP's. The Department of Corrections uses the TLP for people who get out of prison that don't have a place to go. They are full of drugs, corruption and the Department of Corrections continues to put people in them. As an offender and someone who has been in the same TLP in the past. I've seen the corruption and it's wrong.

C. JURISDICTION

☒ I am suing for a violation of federal law under 28 U.S.C. § 1331.
OR

☐ I am suing under state law. The state citizenship of the plaintiff(s) is (are) different from the state citizenship of every defendant, and the amount of money at stake in this case (not counting interest and costs) is \$_____.

D. RELIEF WANTED

Describe what you want the court to do if you win your lawsuit. Examples may include an award of money or an order telling defendants to do something or stop doing something.

My goal is to do what I can to make sure that things change at TLP's in Wisconsin. It was hard for me to report what was going on because who would believe an offender. I would like to have things change at TLP's to better help people who go to The TLP's. I would like the Court to maybe order a review of how TLP's are used and more honest people who run them. TLP's should be there to help people not full of drugs and corrupted workers.
